New Directors Round-Out Management Team at Award-Winning Hotel

LAS VEGAS (February 20, 2007) – Tom Xavier, general manager of Renaissance Las Vegas is pleased to announce the addition of two new directors for its sales and marketing teams, Christie Bustamante, the director of sales and marketing, and Heather Miles, the director of sales.

“We are thrilled to appoint Christie and Heather to lead the Renaissance Las Vegas sales and marketing efforts,” said Xavier. “Christie -- with us since we opened our doors in 2004 – and Heather – who has been with us for two years – have already contributed greatly to the success of this hotel. I’m looking forward to their continued excellence in the future.”

Christie Bustamante assumes her new role having spent the last three years in the position of director of sales for Renaissance Las Vegas.
